PHOTO OF THE WEEK / 'THE EYE IN THE SKY'

Village vanguard

This week's picture, "The Eye in the Sky", is a black-and-white photograph of a man gazing towards a forest, layered with traditional Warli drawings and other images. In 2013, Indian photographer Gauri Gill and painter Rajesh Vangad started collaborating on a project that seeks to capture the multifaceted realities of the region where Vangad grew up, from floods and droughts to village life.

Fields of Sight (2023), a collection of their work published by Edition Patrick Frey, is shortlisted for this year's Deutsche Börse Photography Foundation Prize at London's Photographers' Gallery.
